

PLUS – Planning of Landscape and Urban Systems, ETHZ

Seit 2008...

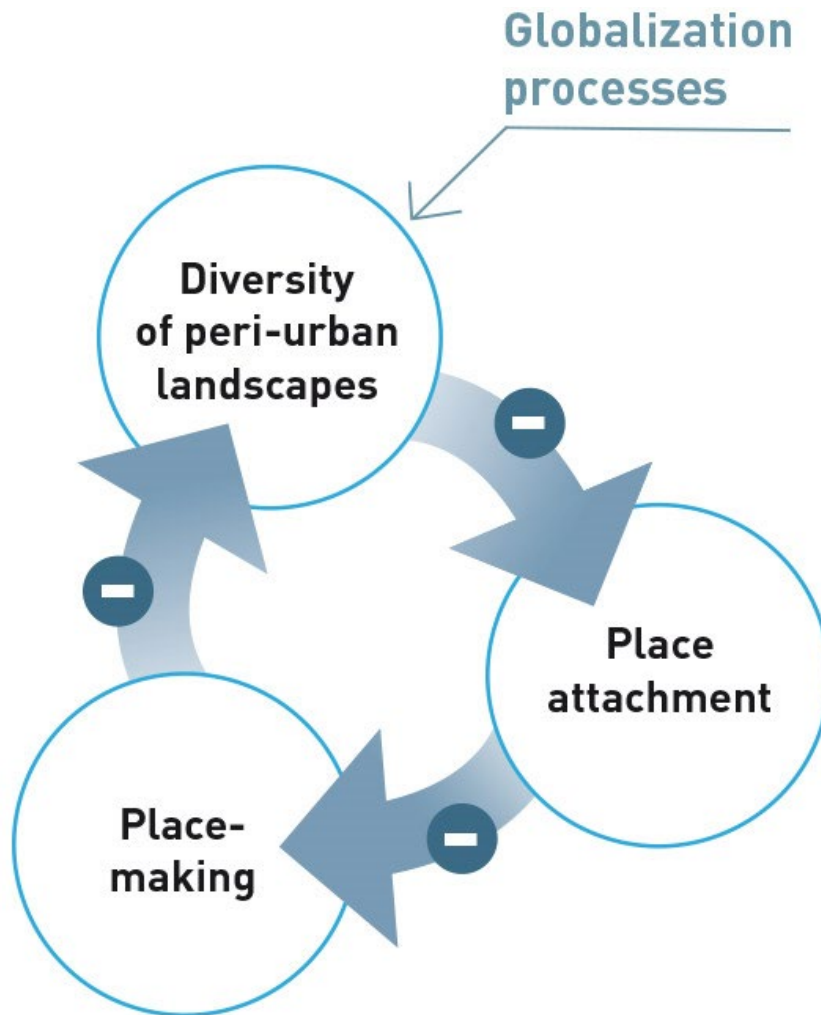

Globalisierung gestaltet unsere Landschaften...

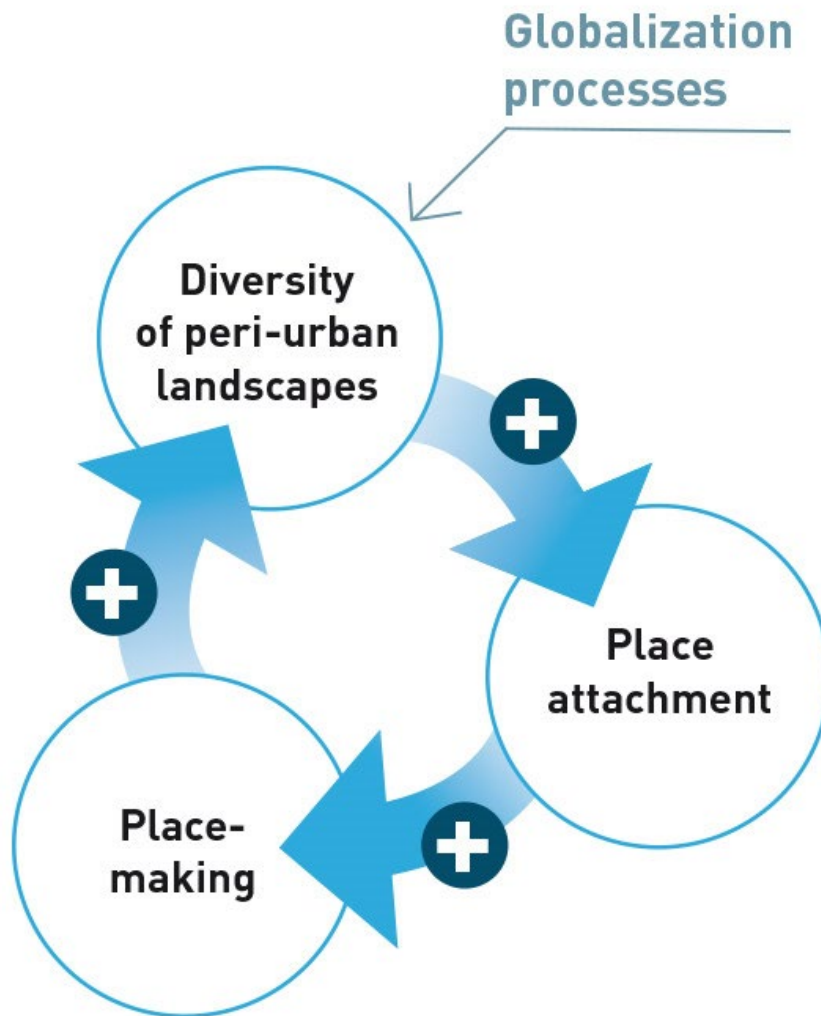

..in den wachsenden peri-urbanen Räumen

Wie kann der Teufelskreis der Uniformisierung....

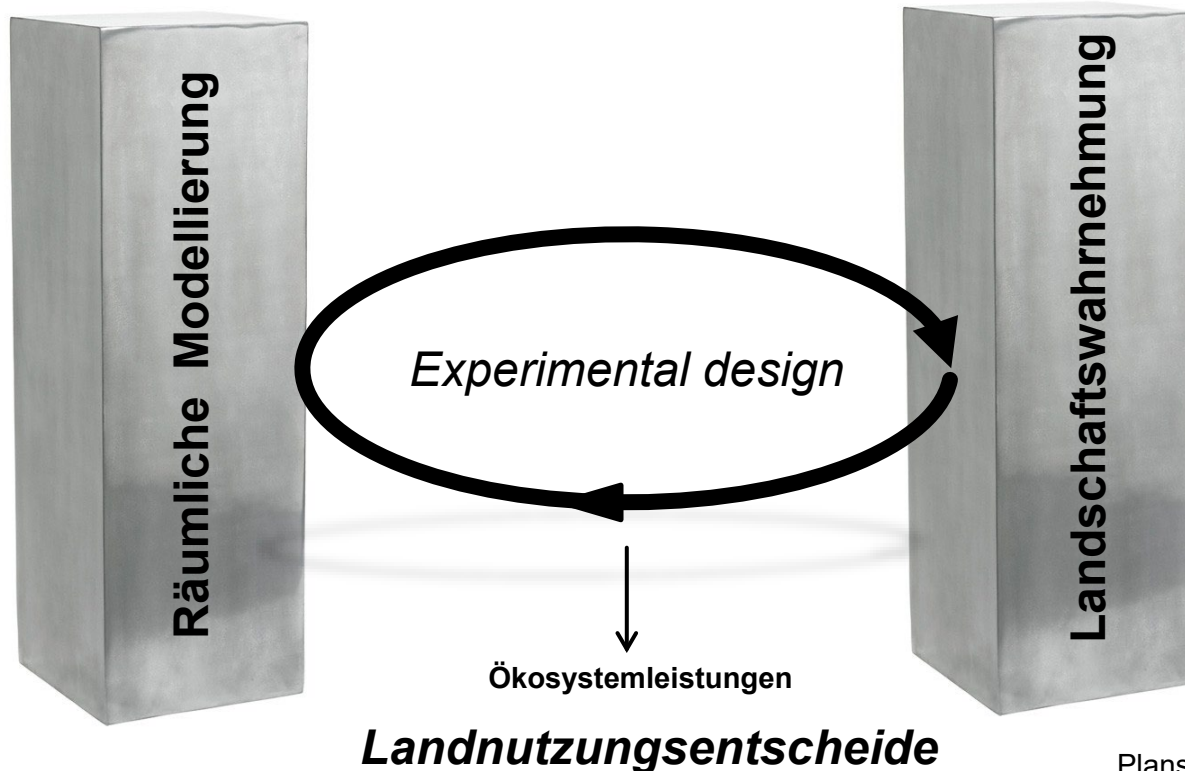

...gebrochen werden, um Orte zu kreieren?

from space to place....

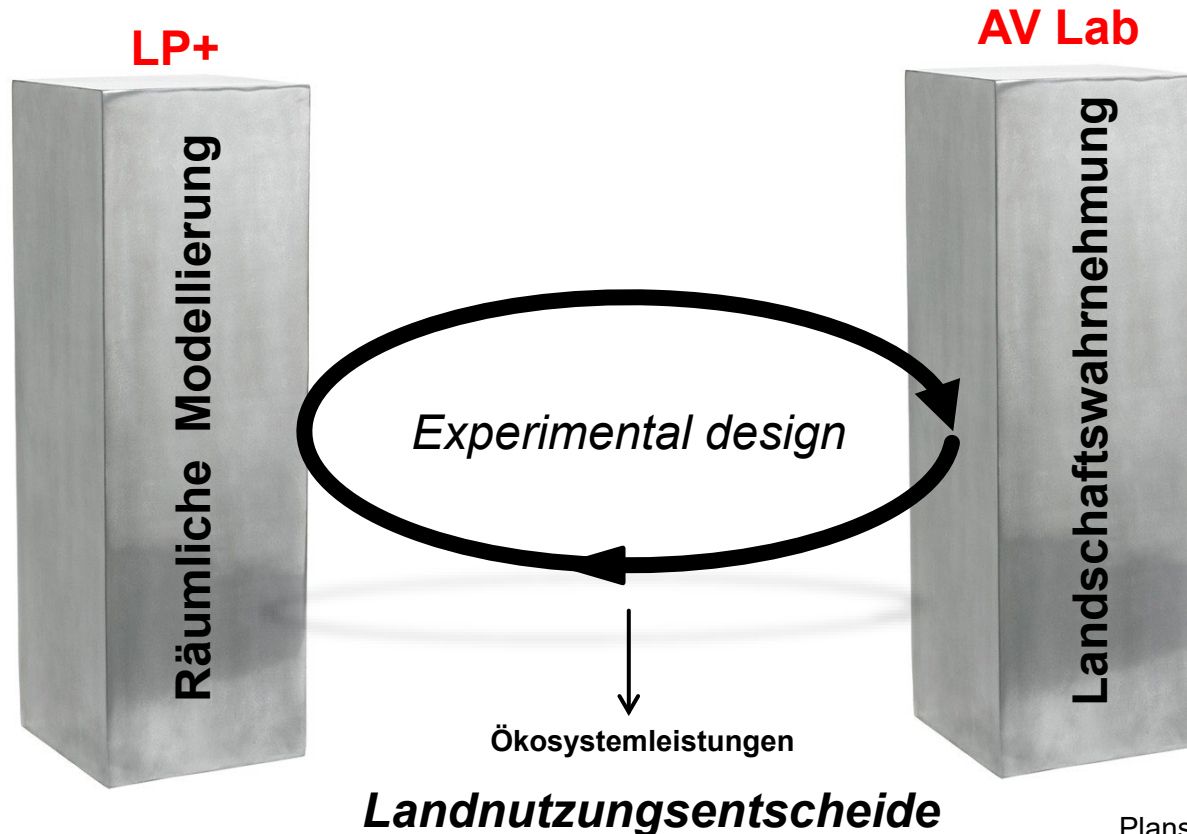

Forschungsgebiete – 2 Säulen

Von der Landschaftsplanung zur Transformation der Landschaft

Forschungsgebiete – 2 Säulen

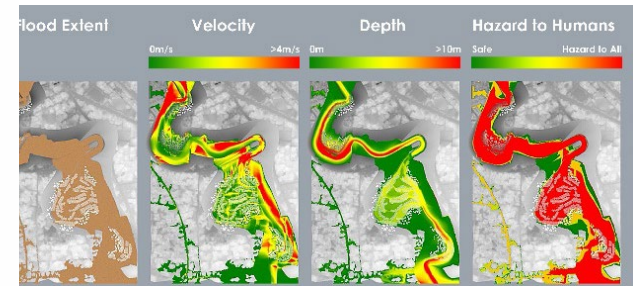

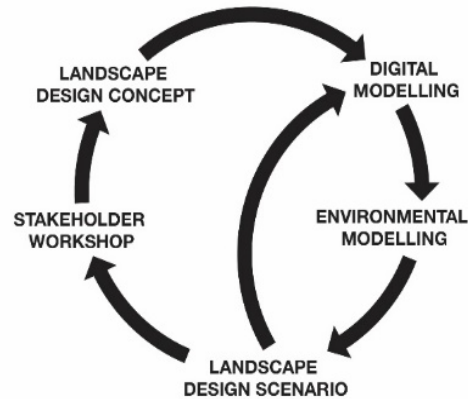

Von der Landschaftsplanung zur Transformation der Landschaft

Beispiel: Ciliwung River, Jakarta – Flussrenaturierung

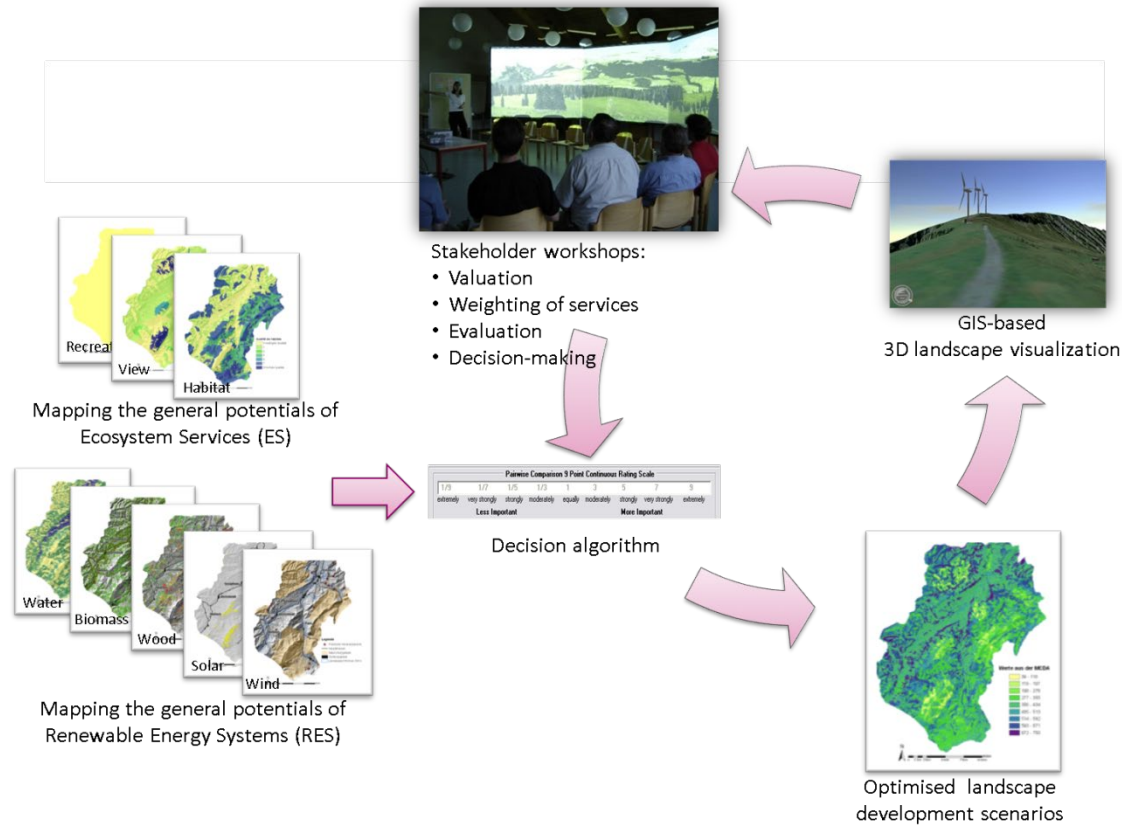

Beispiel: Ciliwung River, Jakarta – Flussrenaturierung

Iterative, partizipative Landschaftsentwicklung
